

The 2022 Shanghai Particle Physics and Cosmology Symposium: Neutrino and Dark Matter Physics (SPCS 2022)

Friday, 18 November 2022

Session 3: DM Ultraight 1 (13:30 - 15:00)

-Conveners: Ning Zhou

time	[id]	title	presenter
13:30	[35]	Detecting ultra-light particles from astro-physical observations	SHU, Jing
14:00	[36]	The Resonant Cavity Search for Axion Dark Matter	LI, Tianjun
14:30	[37]	Quantum interferometry and axion haloscope	YANG, Qiaoli
