

The 2022 Shanghai Particle Physics and Cosmology Symposium: Neutrino and Dark Matter Physics (SPCS 2022)

Friday, 18 November 2022

Session 4: DM Ultralight 2 (15:30 - 17:00)

-Conveners: Changbo Fu

time	[id] title	presenter
15:30	[38] Search for Dark Matter and Fifth Force with Coupled Hot Atom Ensembles	WEI, Kai
16:00	[39] Experimental Limits on Exotic Spin and Velocity Dependent Interactions Using Rotationally Modulated Source Masses and an AtomicMagnetometer Array	YAN, Haiyang
16:30	[41] Novel cosmological bounds on thermally-produced axion-like particles	VISINELLI, Luca
