

The 2022 Shanghai Particle Physics and Cosmology Symposium: Neutrino and Dark Matter Physics (SPCS 2022)

Saturday, 19 November 2022

Session 3: Neutrino Oscillation 2 (13:30 - 15:00)

-Conveners: Ke Han

time	[id]	title	presenter
13:30	[50]	Sterile Neutrinos: Fact and Fiction	LI, Yufeng
14:00	[51]	Theoretical perspective on flavor structure of SM	DING, Guijun
14:30	[71]	Effective field theory approach to neutrinoless double beta decay with light sterile neutrinos	LI, Gang
