

The 2022 Shanghai Particle Physics and Cosmology Symposium: Neutrino and Dark Matter Physics (SPCS 2022)

Sunday, 20 November 2022

Session 2: DM Indirect 2 (10:30 - 12:00)

-Conveners: Shu Li

time	[id]	title	presenter
10:30	[60]	Recent progresses on the astrophysical probe of dark matter	BI, Xiaojun
11:00	[61]	Probing for an ultralight dark photon from inverse Comptonlike scattering	ZHU, Bin
11:30	[62]	Searching for dark matter with x-ray lines	NG, Kenny
