

The 2022 Shanghai Particle Physics and Cosmology Symposium: Neutrino and Dark Matter Physics (SPCS 2022)

Sunday, 20 November 2022

Session 4: Cosmo & Astro 2 (15:30 - 17:30)

-Conveners: Gang Li

time	[id]	title	presenter
15:30	[66]	Testability of thermal leptogenesis	ZHOU, Yeling
16:00	[67]	Type II seesaw leptogenesis	HAN, Chengcheng
16:30	[68]	Dark Matter Detection with Gravitational Waves: from Ultralight to Ultraheavy	GUO, Huaike
17:00	[69]	Exploring the Blazar-boosted dark matter at XENON1T and SuperKamiokande	WANG, Jinwei
