

# Mini-Workshop on Anomalies at the LHC

## Thursday, 21 September 2023

Jet + muon excess and anomalous Z mass: Jet + muon excess and anomalous Z mass - Tsung-Dao Lee

Institute/S5F-S500 - Lecture Hall (10:20 - 12:00)

-Conveners: Lei Zhang

time	[id]	title	presenter
10:20	[23]	Statistics	FOWLIE, Andrew
10:50	[12]	Jet + muon channel excess ML	ZHANG, Rui
11:20	[24]	Possible anomalous Z mass from the model of the instantaneous symmetrical breaking and the expansion of the universe	FANG, Yaquan
11:50	[13]	Discussion
