

The 2023 Shanghai Symposium on Particle Physics and Cosmology: Phase Transitions, Gravitational Waves, and Colliders (SPCS 2023)

Friday, 22 September 2023

Friday 3 - Tsung-Dao Lee Institute/S5F-S500 - Lecture Hall (13:30 - 15:00)

-Conveners: Lei Zhang

time [id] title

presenter

time	[id]	title	presenter
13:30	[26]	Extended Scalar Sectors and Baryogenesis: The CP story	NO, Jose Miguel
14:00	[54]	Addressing the Gravitational Wave - Collider Inverse Problem	TRAN, Van Que
14:30	[6]	Gravitational waves from phase transitions during inflation	AN, Haipeng
