

The 2023 Shanghai Symposium on Particle Physics and Cosmology: Phase Transitions, Gravitational Waves, and Colliders (SPCS 2023)

Friday, 22 September 2023

Friday 4 - Tsung-Dao Lee Institute/S5F-S500 - Lecture Hall (15:30 - 17:30)

-Conveners: Shu Li

time [id] title

presenter

time	[id]	title	presenter
15:30	[39]	Search for Di-Higgs resonances in the ATLAS experiment	XIA, Ligang
16:00	[40]	HH searches with VBF and VHH at the CMS experiment	Prof. SUN, Xiaohu SUN, Xiaohu
16:30	[14]	Higgs physics highlights from the CMS experiment	ZHOU, Chen
17:00	[55]	Status and Experiments of the CEPC	RUAN, Manqi
