

The 2023 Shanghai Symposium on Particle Physics and Cosmology: Phase Transitions, Gravitational Waves, and Colliders (SPCS 2023)

Sunday, 24 September 2023

Sunday 3 - Tsung-Dao Lee Institute/S5F-S500 - Lecture Hall (13:30 - 15:00)

-Conveners: Haijun Yang

time [id] title

presenter

time	[id]	title	presenter
14:00	[49]	Collider probes of the Electroweak phase transition for scalar extended models	WU, Yongcheng
14:30	[50]	Topological Defects and GWs	Prof. BIAN, Ligong
