

2nd Topics of Particle, Astro and Cosmo Frontiers (TOPAC 2024)

Saturday, 1 June 2024

axion - 207 Southeast Col. (东南院207) (15:30 - 17:10)

-Conveners: Zuowei Liu

| time | [id] | title | presenter |
|-------|------|--------------------------------------------------------------------------------|----------------------|
| 15:30 | [81] | Discovering axions at muon experiments | CALIBBI, Lorenzo |
| 15:55 | [82] | Probing lepton flavour violating ALPs at $\mu^+\mu^+$ and μ^+e^- colliders | MUKHERJEE, Lopamudra |
| 16:20 | [83] | Exploring interference effects between two ALP effective operators at the LHC | Dr LU, Chih-Ting |
