

## International Conference Notice of Exoplanets and Planet Formation (2025)

The International Conference "Exoplanets and Planet Formation" (EPF 2025) will be held in Shanghai from December 8 to 12, 2025, organized by the Tsung-Dao Lee Institute, Shanghai Jiao Tong University. Following the success of the first EPF conference in December 2017, this event will cover all aspects of exoplanetary astrophysics, including:

- Exoplanet detection and characterization (mass-radius relations, atmospheres, demographics and statistics, etc);
- Planet formation and dynamical evolution;
- Related topics such as star formation, binaries and multiples, and Solar System formation.

Format: Oral talks + poster presentations (displayed throughout the conference).

Kindly note that all expenses related to this trip are to be covered by yourself.

**Conference Venue:** Sheraton Grand Shanghai Pudong Hotel (38 Pujian Road, Tangqiao District, Pudong New Area, Shanghai)

**Conference Website:** <https://indico-tdli.sjtu.edu.cn/event/4089>

**Contact Information:** [icepf@sjtu.edu.cn](mailto:icepf@sjtu.edu.cn)

We look forward to welcoming you to Shanghai for this exciting event!

Best regards,

**EPF 2025 Organizing Committee**
