

Higgs Potential 2025: Exploring Symmetry Breaking in Particle Physics and the Early Universe

Friday, 19 December 2025

Higgs & related indirect BSM 2 (10:40 - 12:30)

-Conveners: Junjie Cao

time	[id]	title	presenter
10:40	[1]	Precise predictions for Higgs pair productions for general self-couplings	WANG, Jian
11:10	[28]	Exotic Higgs Decay at Future Muon Colliders	LI, Lingfeng
11:40	[58]	Finite temperature theory calculation	BITTAR, Pedro
12:10	[39]	Asymptotic Grand Unified Theories	ISNARD, Wanda
