

Higgs Potential 2025: Exploring Symmetry Breaking in Particle Physics and the Early Universe

Friday, 19 December 2025

Higgs & related indirect BSM 3 (13:45 - 15:05)

-Conveners: Lei Zhang

time	[id]	title	presenter
13:45	[60]	Exploration of the Higgs Potential @ LHC	HUANG, Yanping
14:15	[15]	Highlights of the HL-LHC physics projections by ATLAS and CMS	ZHOU, Chen
14:45	[40]	Evidence for the dimuon decay of the Higgs boson at the ATLAS experiment (Lightening Talk)	LIU, haotian
