

Higgs Potential 2025: Exploring Symmetry Breaking in Particle Physics and the Early Universe

Saturday, 20 December 2025

Higgs & related indirect BSM 5 (08:15 - 10:15)

-Conveners: Qiang Li

time	[id]	title	presenter
08:15	[56]	Future High Energy Accelerators - Possibilities and Paths	LOU, Xinchou
08:45	[57]	New physics searches with PandaX experiment	ZHOU, Ning
09:15	[5]	Search for Dark Higgs and Triple Higgs at ATLAS	LI, Shu
09:45	[65]	CEPC Physics and AI usage	RUAN, Manqi
