

Higgs Potential 2025: Exploring Symmetry Breaking in Particle Physics and the Early Universe

Saturday, 20 December 2025

Higgs & related indirect BSM 7 (16:00 - 17:00)

-Conveners: Roman Pasechnik

time	[id]	title	presenter
16:00	[68]	Electroweak Baryogenesis in the two Higgs doublet model without EDM cancellation	KANEMURA, Shinya
16:30	[42]	Positivity bounds at one-loop level	GU, Jiayin
