

Logistics Announcement

**Workshop on the emerging frontiers of Dark Photon, Axion,
Fractional Charge Particle and Mono Pole New Physics**

Shanghai Particle Physics and Cosmology Symposium (SPCS2021)

上海交通大学
SHANGHAI JIAO TONG UNIVERSITY

李政道研究所
Tsung-Dao Lee Institute

- Indico Agenda and slides sharing:
 - <https://indico-tdli.sjtu.edu.cn/event/445/timetable/?view=standard>
- Zoom Info (on indico):
 - 2021.11.19: Meeting ID: 627 8987 7707 Password : 123456
 - 2021.11.20: Meeting ID: 668 1471 3888 Password : 2021
 - 2021.11.21: Meeting ID: 673 7857 2005 Password : 123456
- Koushare broadcasting:

Session conveners/contacts: (surname alphabetically)

- Fractional Charged Particle+MonoPole Session
 - Guangshun Huang <hgs@ustc.edu.cn>, Yusheng Wu <wuyusheng@ustc.edu.cn>, Lailin Xu <lailinxu@ustc.edu.cn>
- Axion Session
 - Shao-Feng Ge <gesf@sjtu.edu.cn>, Jing Shu <jshu@itp.ac.cn>, Yong Yang <yong.yang@sjtu.edu.cn>
- Dark Photon Session
 - Kim Siang Khaw <kimsiang84@sjtu.edu.cn>, Zuowei Liu <zuoweiliu@nju.edu.cn>, Haijun Yang <haijun.yang@sjtu.edu.cn>
- **Speakers should have rights to upload slides directly onto indico, in case of problem please send slides via email to session conveners timely before the session starts**

- Registration (GMT+8 time)
 - 9:00am~11:30am Fri., Nov. 19, at the workshop venue hotel groundfloor lobby
 - other than this time, please contact LOC assistant Ms. Zi Yang <ziyang@sjtu.edu.cn>
- Dinning (GMT+8 time)
 - Breakfasts provided by hotel
 - Fri. Nov.19
 - self-ordered lunch at noon, sponsored and free of charge
 - banquet dinner at 6:45pm, Li Zhi Dining Room
 - Sat. Nov. 20
 - buffet lunch, 12:30pm , Li Zhi Dining Room
 - dinner , 5:30pm, Li Zhi Dining Room
 - Sun. Nov. 21
 - buffet lunch, 12:00pm, Li Zhi Dining Room

- Group photos will be taken for two times for local participants scheduled:
 - 1st: right after 1st session in the afternoon, 3:35pm, Nov. 19th (GMT+8)
 - 2nd: right after 1st session in the morning, 10:25am, Nov. 20th (GMT+8)
 - Zoom photo snapshots will be made at the same time
 - Further more snapshots will be made at the end of each half-day session on Nov. 20th
